Continued Energy Solutions

Everyday, A Little Further

Forever Forward.

For India, Its People and What Comes Next

ENERGY TRANSITION COMPANY

Purpose-built to move India and its people permanently forward.

We operate at the intersection of where energy access meets everyday life: last mile e-mobility that puts livelihoods in motion, Residential Solar with Storage that brings energy independence to homes and businesses and advanced electronics manufacturing that builds the technological backbone of a cleaner economy.

Lead Acid Replacement Lithium Batteries (LIB)

Powered By:

The Eastman Lead Acid Replacement Lithium Battery is a next-generation power solution engineered for superior, long-lasting performance. Backed by a 60-months warranty, it gives users the confidence of reliable, uninterrupted power — making it a smarter and more dependable energy choice for modern needs.

At the heart of this battery lies the advanced Lithium technology, which delivers higher energy efficiency, faster charging, and extended life cycles — all packed into a lightweight, maintenance-free design. No top-ups, no checks, no hassle — just clean, consistent, and powerful energy whenever you need it.

It offers seamless compatibility with existing setups and ensures greater reliability and sustainability in every use. source — it is a smarter way to stay powered up.

Reliability Life. Uninterrupted.

Lighter in Weight — Easy to Handle & Install

No heavy lifting, no extra labour cost, no space hunting — it fits where you need it and moves when you do.

Eastman iConnect App - Monitoring

Check your battery's health on your Mobile - Charge status, fault alerts and diagnostics all in one place.

Smart BMS - Battery Management System

Ensures battery stays protected, performs at its best and lasts years longer.

Total Cost of Ownership A Lifetime of Value

Longer Life

Lasts longer. Costs less over time - every rupee you spent keeps working far longer.

Maintenance-Free

Install it and forget about it. No maintenance visits, no consumable costs — the battery runs reliably on its own for years.

Technical Specifications:

Model	EM LIB 160	EM LIB 240	EM LIB 320	EM LIB 480	EM LIB 960
Battery Rating	12.8V-100Ah	12.8V-150Ah	25.6V-100Ah	25.6V-150Ah	51.2V-150Ah
Battery Operating Voltage (V)	10.6-14.6	10.6-14.6	21.2-29.2	21.2-29.2	42.4-58.4

Lithium Enabled Home UPS Sine Wave & Square Wave

The Eastman Home UPS, a key component of the LithTec Combo comes with a warranty of Up to 60 months* is designed to deliver uninterrupted, efficient, and reliable power for homes.

Built with advanced technology, it ensures faster charging, optimal battery performance and seamless backup during power cuts. Compact, durable, and user-friendly, it perfectly complements the Eastman Lithium Battery for a complete energy solution.

Up to
60
MONTHS*
WARRANTY

Reliability Life. Uninterrupted.

Pure Sine Wave Output with Noiseless Operation

Protects appliances from damage and ensures smooth operation without humming noise or performance issues.

Zero Volt Pickup — Works even after Deep Discharge

Keeps electricity available in extreme low-voltage situations, reducing chances of complete blackout at home.

In-a-wink Static Changeover — Instant & Silent Switching

Switchover happens so fast that your lights, fans, and Wi-Fi never flicker — not even for a split second.

Total Cost of Ownership A Lifetime of Value

State-of-the-Art High-End Microcontroller — High Million Instructions per Second (MIPS)

Keeps the system stable during changeover and voltage fluctuations, improving battery life and providing smooth/ noiseless operation.

Battery High Protection

Battery always stays in the safe zone — neither deep discharge nor overcharging — it performs better and lasts much longer.

Wide AC Voltage Range + Lightning Protection

Stable operation in real Indian conditions, reducing chances of breakdowns or damage during voltage fluctuations

Technical Specifications of Sine Wave Inverters:

Parameters	950-12V (850VA)	1300-12V (1200VA)	1650-12V (1500VA)	2200-24V (2000VA)	3125VA-24V	5000VA-48V
Mains AC Input Range (Wide Mode)	90V-300V±10V				120V-275V±10V	
Mains AC Input Range (Narrow mode)	180V-260V±10V				180V-260V±10V	
Output Voltage on Mains Mode	Same as Input				Same as Input	
Output Voltage on UPS Mode	210V+10%, -15%				220V +5% -18%	
Output Frequency in UPS Mode	50Hz ± 0.1Hz				50Hz ± 0.2Hz	
Switching From Mains to UPS and UPS to Mains Mode	Automatic				Automatic	
Output Waveform on Mains Mode	Same as Input				Same as Input	
Output Waveform On UPS Mode	Pure Sine Wave					
Charger	CCCV					
UPS Overload/UPS Short Circuit	110% / 300%				110% / 300%	
UPS Transfer Time	≤15msec				≤15msec	
Technology	Microcontroller-based design				dsPIC Based Design	
Auto Reset Feature	yes				yes	
Operating Temperature	0°C to +45°C				0°C to +45°C	

Note: As part of regular product updates, specifications may be revised without prior notification.

Technical Specifications of Square Wave Inverters:

Parameters	850VA-12V	1200VA-12V	1500VA-12V	2000VA-24V
Mains AC Input Range (Wide Mode)	90V-300V±10V			
Mains AC Input Range (Narrow mode)	180V-260V±10V			
Output Voltage on Mains Mode	Same as Input			
Output Voltage on UPS Mode	210V+10%, -15%			
Output Frequency in UPS Mode	50Hz ± 0.1Hz			
Switching From Mains to UPS and UPS to Mains Mode	Automatic			
Output Waveform on Mains Mode	Same as Input			
Charger	CCCV			
UPS Overload/UPS Short Circuit	110% / 300%			
UPS Transfer Time	≤15msec			
Technology	Microcontroller-based design			
Auto Reset Feature	yes			
Operating Temperature	0°C to +45°C			

Note: As part of regular product updates, specifications may be revised without prior notification.

Eastman iConnect App

Smart Control in Your Hands

Powered By:

Enhance your power backup experience with intelligent energy management designed for modern homes and businesses. The Eastman Lithium Hybrid Inverter delivers seamless performance with real-time power optimization, smart battery compatibility, and efficient energy utilization. Stay in control with reliable backup, faster charging, and uninterrupted comfort—giving you greater confidence during every power outage.

Real-Time Power Status: Monitor live battery backup, charging status, and power consumption anytime, anywhere. Stay informed about available backup before and during power outages.

Smart Energy Tracking: Track power usage patterns and optimize energy consumption for better efficiency and longer backup performance.

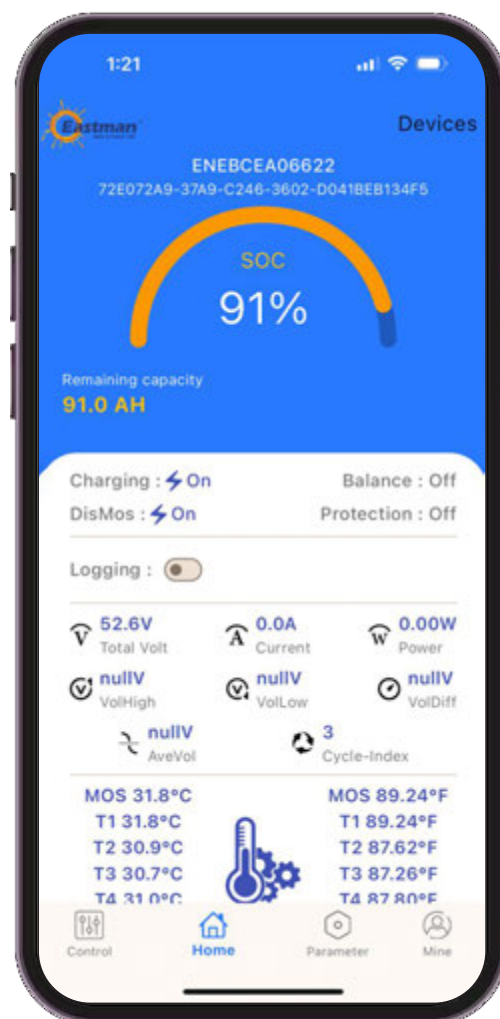

Bluetooth Connectivity with BMS: Seamlessly connect your smartphone to the inverter's Battery Management System (BMS) for instant monitoring, diagnostics, and performance updates.

Intelligent Usage Insights: Analyze battery health, charging cycles, and energy usage trends to maximize battery life and overall system efficiency.

Prevent Unexpected Power Failures: Stay updated on battery and inverter health to avoid sudden breakdowns and ensure uninterrupted power backup with complete peace of mind.

Eastman iConnect App

Empower your energy experience with Eastman iConnect App

Download now from Google Play & App Store

With the Eastman iConnect App, all your energy data is securely stored on Indian servers, fully compliant with Indian data regulations. This ensures complete safety, privacy and peace of mind — keep the system protected within the country's trusted digital infrastructure.

Eastman *Assure*TM

Promise

Round-the-Clock Service

At Eastman, great products deserve equally great service. Through Eastman Assure, we've built a customer-first ecosystem that ensures quick resolutions, proactive support, and peace of mind — every step of the way.

AI-Powered Voice Bot

- Get instant support anytime without waiting or follow-ups.
- Raise requests and check warranty or complaint status in seconds.

78884 78885

24x7 Call Centre

- Expert help is always available, day or night.
- Quick, reliable support for installation, service, and troubleshooting.

1800-419-8610

Online Complaint Management

- Track your complaint in real time with complete visibility.
- Stay informed at every step until your issue is resolved.

Eastman Assure Portal

- One place for all your service needs, simple and convenient.
- Manage warranty, complaints, and service history with ease.

We are 24x7 Available!
